

1. About Lifeline

Lifeline is a federal benefit that lowers the monthly cost of phone or internet service.

Rules

If you qualify, your household can get Lifeline for phone or internet service, but not both.

- If you get Lifeline for phone service, you can get the benefit for one mobile phone or one home phone, but not both.
- If you get Lifeline for internet service, you can get the benefit for your mobile phone or your home connection, but not both.
- If you get Lifeline for bundled phone and internet service, you can get the benefit for your mobile phone bundled service or your home bundled service, but not both.

Your household cannot get Lifeline from more than one phone or internet company.

You are only allowed to get one Lifeline benefit per household, **not per person**. If more than one person in your household gets Lifeline, you are breaking the FCC's rules and will lose your benefit.

What is a household?

A household is a group of people who live together and share income and expenses (even if they are not related to each other).

Do not give your benefit to another person

Lifeline is non-transferable. You cannot give your Lifeline benefit to another person, even if they qualify.

Be honest on this form

You must give accurate and true information on this form and on all Lifeline-related forms or questionnaires. If you give false or fraudulent information, you will lose your Lifeline benefit (i.e., de-enrollment or being barred from the program) and the United States government can take legal actions against you. This may include (but is not limited to) fines or imprisonment.

You may need to show other documents

You will need to show your phone or internet company an official document from one of the government qualifying programs or prove your annual income. Please provide copies of your official documents with this application. Include the documents in option 1 or option 2 below:

1. If you qualify through a government program: copies of your state ID card and an official document from the program you are qualifying through (your SNAP card, Medicaid card, Supplemental Security Income (SSI) benefit letter, Federal Public Housing Assistance (FPHA) award letter, or other accepted documents).
2. If you qualify through your income: copies of your state ID card and your last state, federal, or Tribal tax return, pay stubs for 3 consecutive months, or other accepted documents. Visit lifelinesupport.org to see the full list of accepted documents.
